Jake's Jots....

I hope all of you are having a great week! I wanted to take a moment this week to update you on what we have going on right now.

The Southeastern SBC will be with us this coming Sunday (October 25th) as they are returning from their Fall Retreat at Turner Falls. Jered Hyatt, the Campus Minister, will be speaking to us during our Sunday morning worship.

The 3rd Annual Pettijohn Springs Run is coming up October 31st at the camp. The event starts at 9 am with both a 5k challenge course, and a 1 mile fun run for the younger runners.

Trunk or Treat 2015 will be happening in the church parking lot on October 31st from 6-8 pm. We are still taking donations for candy, there is a box in the front foyer to do so. We would really love for you to dress up and join us that evening as well!

All-Church Thanksgiving Meal will be Sunday, November 8th following morning services. The church will be providing the meat, but we need some helping hands to cook the hams and turkeys at home. If you can help please contact the office and let Kim know. Otherwise, we need all the goodies to go along with the turkey and ham, and of course the desserts!!!

We have plenty of opportunities to be involved in the weeks ahead! Mark your calendars now! Have a great week!
-Jake-

Youth Update!

We're back from our annual Fall Family Camp out and we had a blast! The weather was perfect and we did everything from swimming in the river to hiking to hunting to just relaxing around the campfire and enjoying every minute of it with our brothers and sisters in Christ. Activities and retreats like these really help to solidify the bond between families so if you've missed out in the past please, please, please make plans now to join us for the next outing. I guarantee you won't regret it and you'll return a stronger person than you left. Thanks to your helping hand, our Wildcat football breakfast was a huge success! Hungry players and coaches joined us last Thursday morning for a pancake breakfast here at the building and they were more than grateful. A great big, huge, THANK YOU to all who cooked, served, provided food/money or all of the above for this outreach to the community!! Despite Corbin Larason's last second touchdown catch of the game, the Wildcats lost a tough one to Marlow last Thursday night. Good game, guys! We play Sulphur so we'll take the van for anyone that would like to go with us. We'll need some volunteers to decorate their trunks and pass out candy here in the parking lot for Trunk or Treat on the 31st. This event is always a fun time and, as always, we will reward the best decorated trunk with the "coveted" Trunk or Treat trophy to display on their trophy shelf for the year. The Ahearn's were the winners last year. Also, the annual hayride and hotdogs at the Kenedy's is THIS Saturday (weather permitting). Do not miss it! Our topic this week in the teen class was redemption; Purchasing something for a price to restore its value. Here are some questions to answer with your family. How does sin hold us captive? How could your relationships with others change when you view them as a person redeemed by God? Make it a great week! -John

A Special Thanks!

Dearest Church Family,

I would like to thank each and every one of you for the love you have shown to our family over the past month. We are extremely grateful for every single prayer, call, text, card, meal, gift, and hug given on our behalf. We feel very blessed to be a part of this church family. This experience has been made so much easier to bear because of the marvelous love you've shown us through the Father. What a perfect God we serve! Thanks again, so much, for all the love you've shared with us. All things are possible with God!

*Your Sister in Christ,
 Lauren Albrigt*

On The Lighter Side.....:)

A Special License

A policeman looked up to see a woman racing down the center of the road at 100 m.p.h.

He pulled her over and said, "Hey, lady, would you mind telling me why you are going so fast down the middle of the road?"

"Oh, its okay, Officer," she replied, "I have a special license that allows me to drive like that."

"Oh, yeah? Let's see it." the policeman looked at the license and then concluded, "Ma'am, there's nothing special about this. It's just a temporary license."

"Look at the very bottom, though," she insisted. "See? It says 'Tear along the dotted line.'"
